"Strictly One Night Only" - Matthew and Nicole Cutler plus special guest Matt Coulter (The Kangaroo Kid)

Record breaking stuntman Kangaroo Kid (Matt Coulter) has accepted a challenge like never before from the organisers of the Moreton-in-Marsh Show. Matt who arrives next month from his native Australia will have a mere 9 weeks to learn to salsa, before he performs a dance at a "Strictly One Night Only" event being held by The Moreton Show and Chipping Campden School on July 4th.

The event will not only feature the unique opportunity to see if Matt can dance as well as he can jump obstacles on his quad bike, but also gives the audience a chance to get up close and personal with professional dancers Matthew Cutler and his dance partner Nicole. Matthew and Nicole have starred in 4 series of BBC's Strictly Come Dancing. In 2007 Matthew was crowned Strictly Come Dancing Champion with singer Alesha Dixon whilst Nicole partnered footballing legend John Barnes.

"I think I will be better than a giraffe in a pit full of rattle snakes but that's about it. Although I may surprise myself and everyone else" comments Matt. "Time will tell and what is for sure we will have a great time and a big laugh. At least I will get to take Nicole for a wheelie on my Quad".

Commenting on the challenge of teaching him Nicole said "I am looking forward to teaching Matt to dance and excited that we will be performing to a large crowd at the Moreton Show event on 4th July. I am sure with his expertise in the 'performance area' and a few helpful tips in the dance area; he will make a wonderful & entertaining dancer...watch out Strictly Come Dancing!"

Matthew and Nicole Cutler will also perform a selection of dances during the evening and the audience will get the chance to ask them questions. There will also be a chance for the audience to have a go at dancing themselves and a dance display by Chipping Campden School. Starting at 7pm it should be a great night out.

Tickets are priced at £20 each and can be purchased from the Moreton Show Office on 01608 651908.
