

Dear Tractor Enthusiast,

After our unfortunate, yet necessary cancellation of the 2020 show, we are looking forward to welcoming our Vintage Tractors back this year. We have been working hard to make the showground as safe as possible and have made the necessary changes to comply with the current government guidelines. Therefore, for this year, Vintage Tractors will be a static display only in the Vintage Tractor Section and will **NOT** parade around the Attractions Arena.

Please complete the enclosed entry form fully and return to the Show Office, as detailed on the bottom of the form, by 31st July 2021.

Details about how you are transporting your Tractor are required in advance for our traffic management plans. **ENTRIES WITHOUT THIS INFORMATION WILL BE RETURNED.**

Our Security Team will be on site from Friday 3rd September until Sunday 5th September 2021, so you will be able to bring your Tractor the day before and/or collect it the day after.

You will be contacted in early August regarding whether your entry has been successful or not. Successful entries will receive an entry number and the appropriate vehicle pass to provide the tractor and driver admission to the showground. You will also receive all the required information regarding parking. **Please note, entry spaces are limited.** Unfortunately, due to COVID-19, we are unable to provide any additional tickets or passes to the show this year. If you require any additional tickets, they can be purchased from our website, www.moretonshow.co.uk

Sadly, it has been previously noted that some successful entrants have failed to turn up with their tractors but have still used their free entry (and parking) tickets to access the Show. Obviously, this practice cannot be allowed to continue. Any successful entrant who fails to bring a tractor, without reasonable excuse, will not be invited to do so again.

We look forward to receiving your entry by 31st July. If you have any queries, our Office Team can be contacted on 01608 651908 or admin@moretonshow.co.uk

If you are unable to make this year's Show but know someone who would be interested in attending with their interesting or unusual tractor, please forward this information to them.

Kind regards
