

# GOING HOME from MORETON SHOW

Cars, Horses and Trade vehicles should generally return by the route on which they came **EXCEPT MEMBERS and LIVESTOCK VEHICLES** which should follow the **green routes** shown and not use Dorn Lane Eastbound which will be CLOSED at the railway bridge to reduce its volume at the Exit time. Batsford Road will be closed during the Exit period to lessen the load on the A429/Batsford Road junction and prevent long queues there and on the Fosseway. Cars parked in the Cricket Park should also follow the green routes.

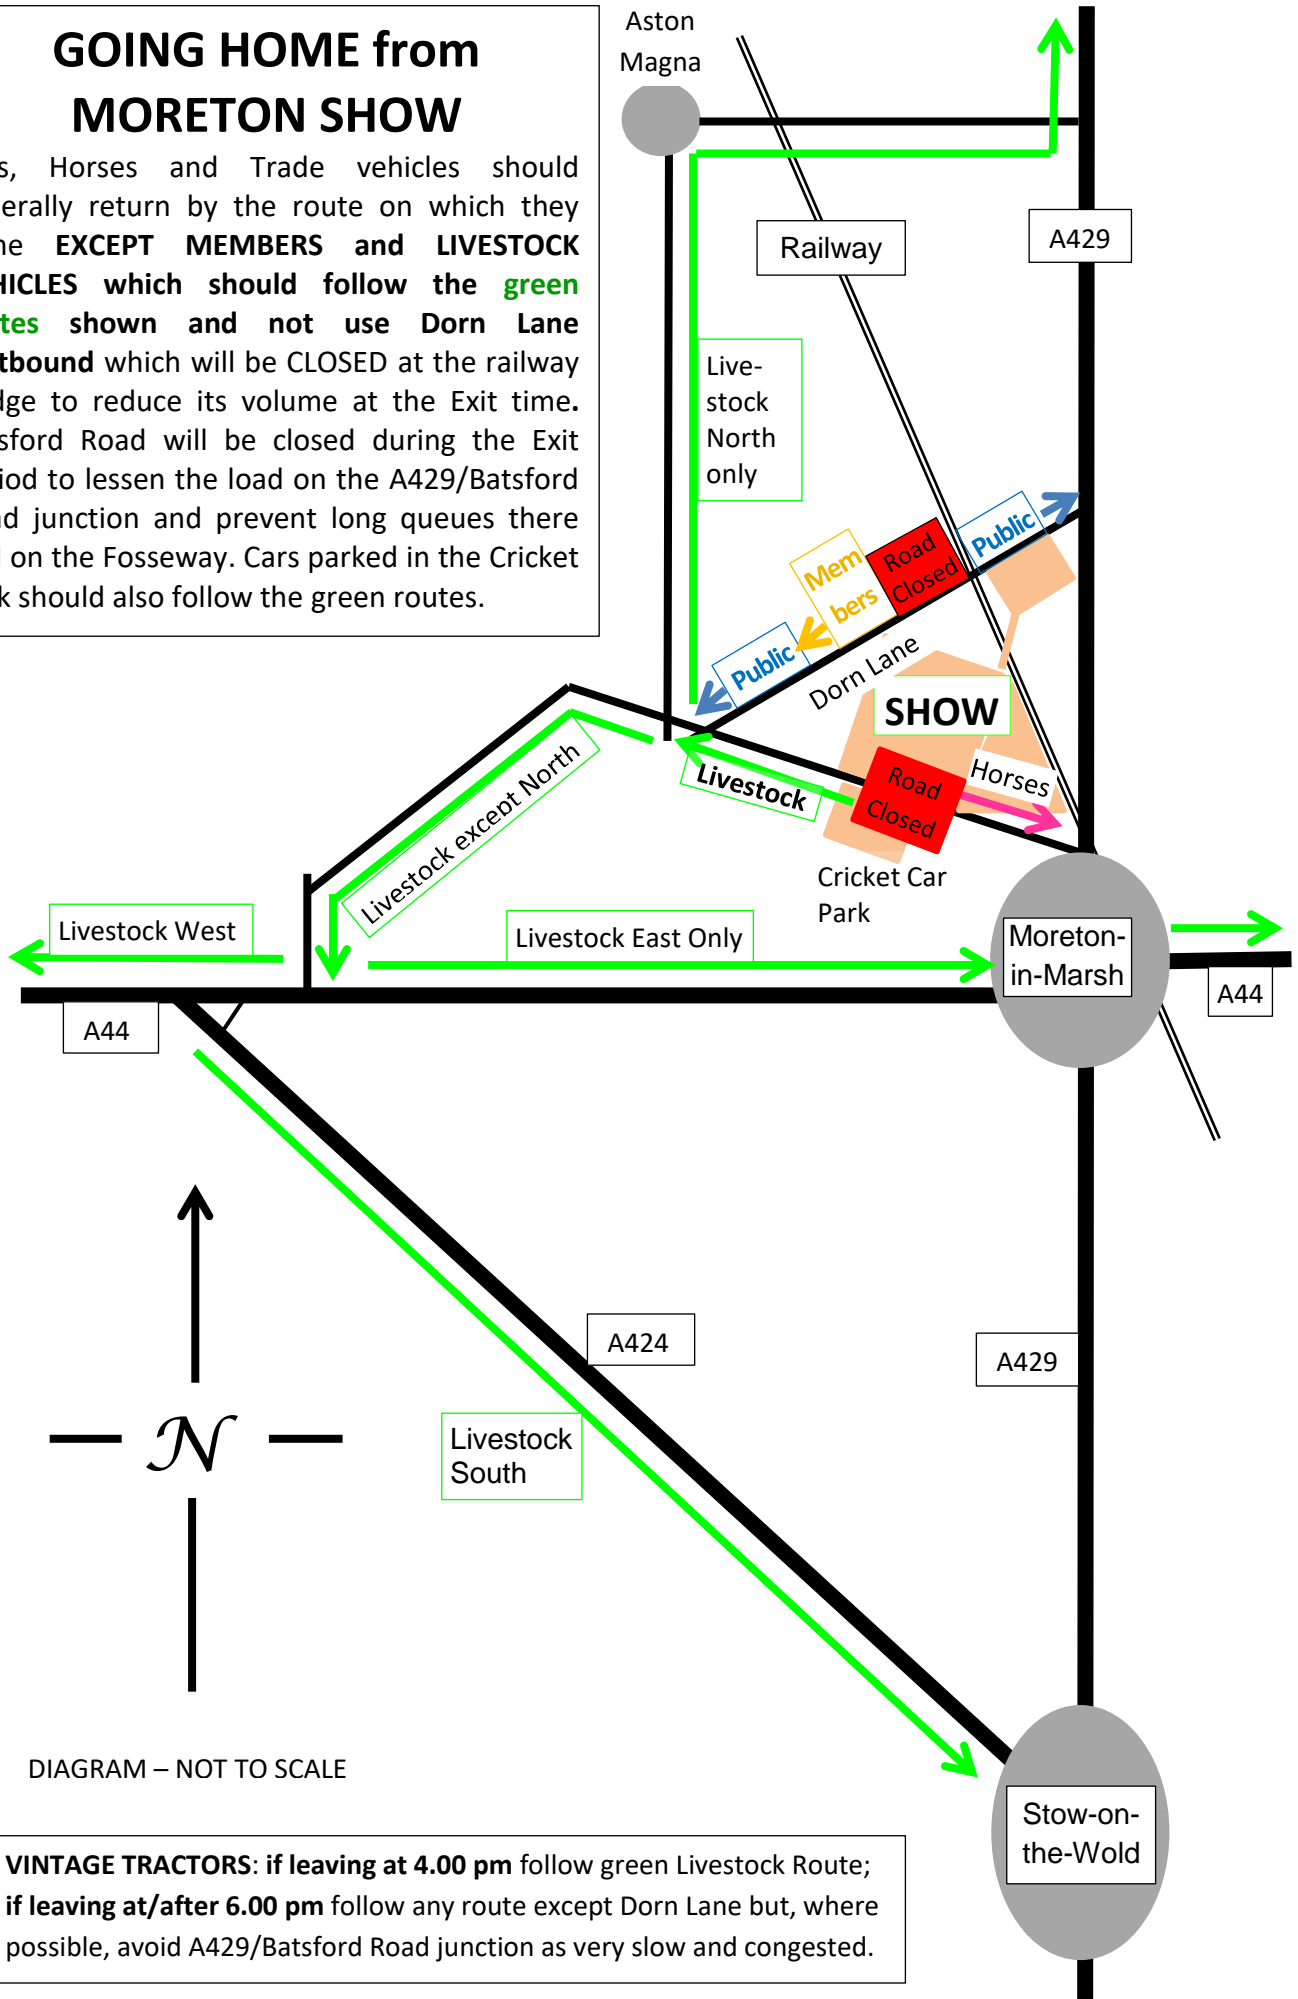

DIAGRAM – NOT TO SCALE

**VINTAGE TRACTORS:** if leaving at 4.00 pm follow green Livestock Route; if leaving at/after 6.00 pm follow any route except Dorn Lane but, where possible, avoid A429/Batsford Road junction as very slow and congested.
